THE STRONG ARM

Brian Loncar founded Loncar & Associates in Dallas, Texas in 1988. In the years since, we have grown to include offices in Beaumont, El Paso, Houston, Lubbock, McAllen, Tyler and Wichita Falls, Texas.

We represent more than 7000 clients each year. Despite our many offices and large client base, we are small enough to provide the personal attention you deserve after a serious accident or the death of a loved one. We are aggressive and committed attorneys, providing a strong arm for you to lean on in difficult times.

If you have been injured in an accident caused by negligence or misconduct, contact us to learn if you have a case. We provide a free case evaluation service and initial consultation. If your injuries prevent you from visiting one of our offices, we will travel anywhere in Texas to discuss your situation.
